Want your very own DRONE? Attend all 8 weeks, and it will be YOURS!

Cost:

This program is specifically designed for underserved students in the Winter Haven area and is generously funded by a community donor.

Parents are responsible for transportation and there is no before or after care. Please be on time - don't let your child miss out!

Mail your Registration Form to:

LRC, 1628 S. Florida Ave.,

Lakeland, FL 33803

or Call 863-688-9477

This camp is 8 weeks of STEM fun with different activities each week. Choose to come for one week or all eight! Increase your vocabulary, knowledge base, skill sets, and computing power all while having a blast!

Possibilities include....

- Create muddy, slimy hands on fun.
- Build structures, bridges, catapults, and rockets.
- Navigate with maps and compasses to find treasure and explore the outside world.
- Fly drones and compete in the drone hula-hoop challenge.
- Build a vinegar & baking soda powered boat and launch it!
- Create a website and/or learn design skills on the computer.
- Build igloos and melting snowmen on our hot summer snow day.
- Enjoy a snack and outside sports.
- And so much more...

Applications are due on or by **Thursday, May 19th**. Positions are limited— **First Come, First Enrolled**.

Reserve your place **TODAY!**
