About LRC'S Summer 2023 SAT Preparation Course

LRC's Summer SAT Preparation Course builds confident, successful students through an efficient and effective 21-hour program taking place over the course of one week.

Why join LRC for SAT Prep?

Students will:

- ✦ Engage in problem-solving strategies for analyzing and answering SAT questions
- ✦ Reinforce skills through interaction and review
- ✦ Build confidence and reduce test anxiety through test-taking strategies
- ✦ Practice taking the exam

LRC will provide the necessary supplies for this course.

LRC's commitment to your child's success ensures that your student will receive quality instruction from certified, highly qualified teachers in a small group setting (no more than 10 students per class).

We can help!

"Your prep class made a huge difference for our son. He took his SAT score from 1270, prior to the review, to a super score of 1510. It really opened up a substantial amount of new college opportunities for him. We were extremely happy with his results."

-V. Moore
