# SUMMER Game Development & Design

with the Learning Resource Center

LRC's Summer **Game Development and Design** is led by a STEM educator to help students discover the fundamentals of code in an exciting and productive learning domain.

Students who attend the workshop will:

- Learn the basics of coding
- Gain program design experience
- Engage with the Click Team Fusion
- Practice the DND programming language
- Use student imagination in game-based learning
- Develop skills through interaction and review
- Learn to use OPEN SOURCE

**Students will bring their own laptop. Laptops on loan PER REQUEST.**

LRC's commitment to your child's success ensures that your student will receive quality instruction from highly-qualified instructors in a small-group setting.

LRC is accredited by Cognia and has a proud 48-year history of providing premier academic programs designed to help all students maximize their learning potential.
